# PLAY TREND **ENTER THE YOUNG** FASHION DESIGNER CONTEST

## **GEKELER NINA SOPHIE**

Karlsruhe, Germany. 05/02/1984

Fashion Design Student,  
Kunsthochschule Weissensee, Berlino

"Inspired by the technique of craft weaving of the Bauhaus, by the particular carpet fantasies with the abstract forms of Gunta Stoltz, from simple shapes and from functionality ideology, simplicity and craft, I created a kit of clothes to play with form, colors and surfaces.

You can change the game by changing the habit of weaving, with the vertical belts, with several strips of fabric.

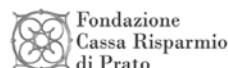

Before dress yourself you can decide everything of your outfit, giving a strong touch of personality to every look supported by all kinds of accessories .

From simple to extravagant. "
